AGE 13

I enjoy playing video games, basketball, and football. In the summer I like to go swimming and fishing. I love learning about cars. My favorite car is a Cadillac.

Jacob would benefit from a two parent adoptive family. He would enjoy a family who has pets.

If you are interested in learning more about Jacob or know someone who would please contact Regina Roberts, Adoption Recruiter, at 828-465-8970 or Bernie Boags, Adoption Social Worker, at 828-465-8911.
